To whom it may concern

Re: Mr Todd Young

Todd Young has been an active supporter of Council's annual community event, the *Family Fish In*, since 2001. The event offers local residents the opportunity to enjoy the sport of fishing, whilst instilling a sense of pride and involvement within their community.

Todd supports this event with the donation of prizes, as well as offering information and assistance about fishing to those who attend.

He is especially involved in helping children to learn about the sport, the skills needed to safely use equipment and to educate them about the rules of recreational fishing. His expertise and interest in fishing certainly adds enormous value to the event.

Offering his time free of charge, Todd has become a valued member of the *Family Fish In* volunteer team. He demonstrates and encourages good sportsmanship, a healthy awareness of the importance of responsible fishing and is an understanding and patient teacher.

Todd Young is a friendly and professional individual and I look forward to Todd continuing his involvement in the *Family Fish In*.

Yours faithfully,  
IAN REYNOLDS  
GENERAL MANAGER
